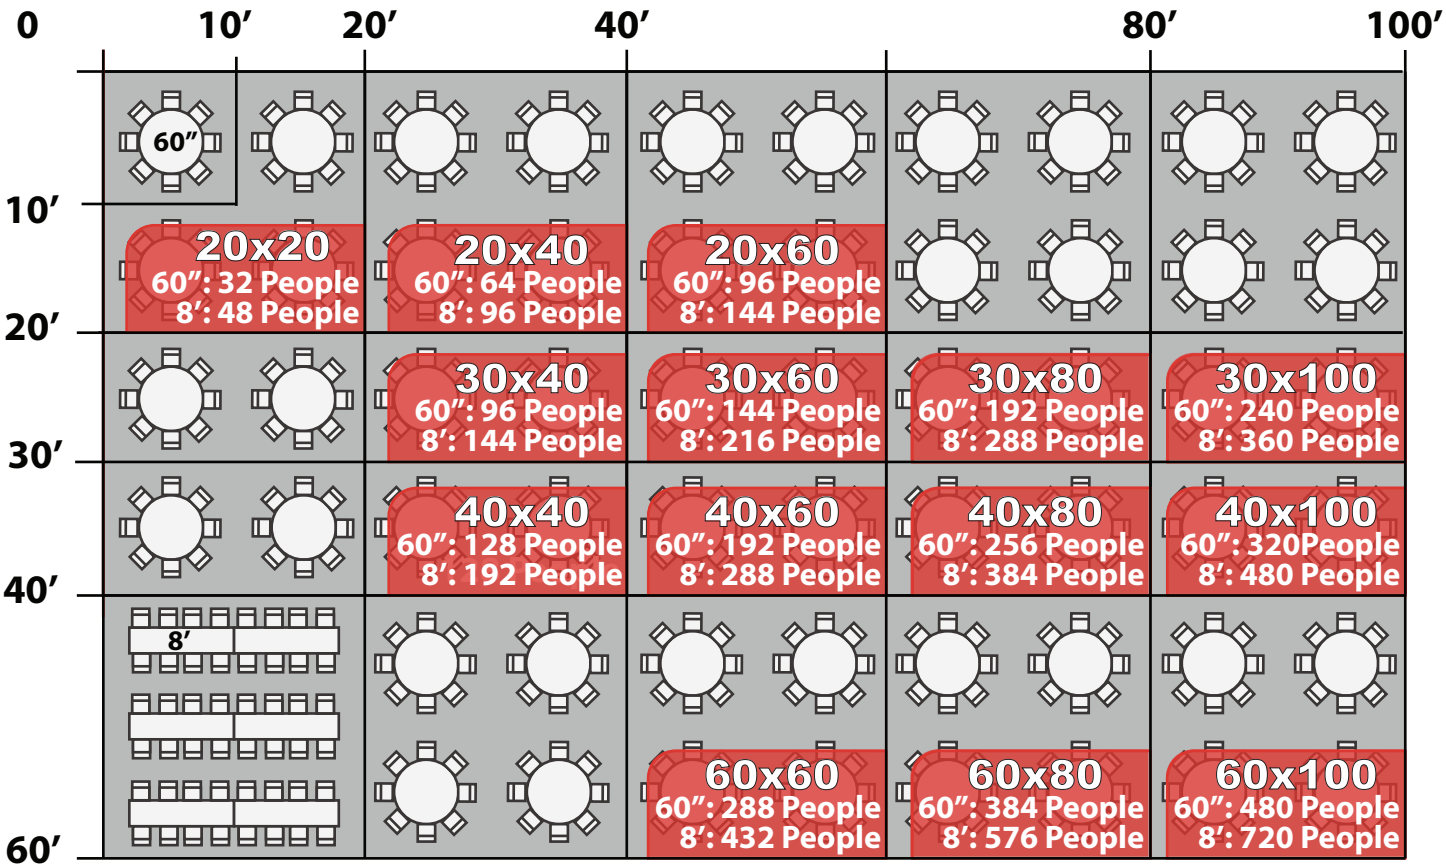
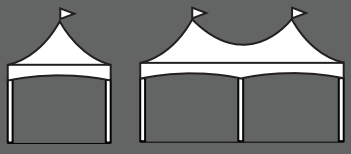
TENT SIZE GUIDE



Larger Tents Available!

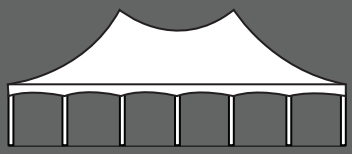
TENT STYLES:

Marquee Tents:



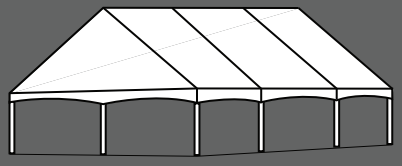
Marquee Tents offer a spacious, open interior with no center poles, making them ideal for events like festivals, graduations, weddings.

Pole Tents:



Pole Tents feature side poles every 10 feet and center poles every 20 feet. The vinyl top is tensioned by straps around the perimeter. These tents must be staked into grass or anchored into concrete for stability.

Structure Tents:



Structure Tents provide a large, open interior with no center poles. Supported by legs every 20 feet, the vinyl top slides into tracks on the frame, creating a sleek, tight look.
